

Mith ku Weet: Nyuuth de Madhiith

Mith kor aake ci dhithke ke nyicki bik nyiei aacieng.
Keek aawic kony ku nyuuth tenang madhiith ku jol aakoc kok ye mekuuny
ciman nyic e madhiith een kedhia manaada keka ciee lon piolic.

Nyic yee keno ye cieeng e “ haadi” ne run yinde.

Limde doolap de madhbak ku jol aa thel de alaalaai ne madhbakic aciee ke
rac e nong meeny e run rou ciman, ee ye nyuooth ke yeen akor be nyic beka
gool ye piny nyic kedhia. Ee rot dac looi eya tenong mith e run nguan bik
thoor kene wet mathken ku nyiir a kecken ye luupken. Jam kene madhiith
kok nong mith rieec kene mithku ee kueer tong da leu bine nyic yeekeno ye
haadi tenong meeny e run de. Madhith juic aaye nhiim lohain ne luoot tecii
kek yee yok manaada ke mith kok acingCiman e mithken areetic.

Piooc e mith ke yin thoong kang

Kueer tong yee mith pioc ee bii kockok yaa kaar. Ekene yene kee wet yene
madhiith ngueen bik yaa piir ne kueer ye methel piath nyuooth. Mith cike
nyuoth bik roth rieu aaye koc kok rieu. Ne cek mith wic bik nyic keke ye
koc waacke koc, awic bik nyic eya manaada ke kaye bik de akut yic eya.
Kene yene ka yee wok ke piooc bik yaa tek, bik koc kok yaa ping ku weerki
jam.

Tak ke yee lueelic ku kueer yine lueel

Naa yee jam ke yin ye yi ror looi tenong mith cite koor yin koc kok bik yaa
jjeem thin kene yiin. Yee jam ne rieu we keek ku ne keek, duka cit kene luel,
“Ann ee meenh rac e tewen, “ka” Jothep ee meenh dak rot etewen”
Ee them areet ba mith aa gok ke yin gut kang nyin ke ngath manaada ke
jueer e karec ken abe cieeng rac cok kaac. Lekin ekene e nang tathir waac
ke ye e luoot. Mith e man thiooke ayeki piooc man beekek yinteba dit yok
te looi kek ka cie ka nhier madhiithken keek.

Kueer nguan leu bin cieeng piath weei ee ba yaa tak ba ke ya lec nhiim te yen rot leu neluoot, ne cak akueer thii kor,ka cit, "Ann ee ye makuny piath eekoole ee ka keen ke pol taau wei kedhia." Ekene aci leu be waaric manaada ke yin ci leu ba ke waai te looi kek kerac. Lekin athiekic ba ke cii meth looi yene yii gok ke ciece meth ne guopde. Badel bine luel wule, "yin emenh rac," Luel ke cit, "eke loi e aken nhia," ka, e cieeng cit e kene acuk e puol be rot looi."

Tek akeeth thook

Cok mith nyic yee cieengo ye puol ku ke ci pel. Be mith yien akeeth yith ee ke puol bik gup aa loyum. Yee wet muk cok wet wen koor ceng de baai.

Gam yic e meth be luel ye "hei naa"akolkok- Katheten ne long e ka nang taathiir kene piir e meth e rot ka cit yi alanhgo bii meth cieeng.

Yee muk e yi nhom manaada ke mith aa kor bik pioc bik yaa luel yii, "hei naa" ee kapiath ne akolkok, be luel ya, "hei naa", te nong alei kucke, methelen, aleu be ya ke kony raan.

Lec Mith Ku pat ke Yiic te yikek Ping ekene ee ke weei bik yaa cieeng apiath.

Duone mith ye thong bik ka dit cike leu yaa looi

aacaka yeen menh nong run kee dhiec aleu be thoong ke be reer e duk hon de tiet aakim, yin cie leu ba menh nong run keerou thong be ke cite kene looi. Ye weet ku muk runke meth e yinhom.

Ye nang de mith naak

ekene e rot ee mith piooc manaada ke tong ka thoor yene kee kueer piaath wen yene koc mac ku kee ke weei bik mith kok aanok e ya.
